

Are you an NDIS participant eligible for Housing with support?

Are you looking to feel safe and supported where you live?

Mind might have just the place you are looking for.

Housing with support services – Albert Park, Melbourne metro.

This beautiful Victorian building on an extensive garden block, located in beautiful Albert Park is close to the beach, shops and public transport.

Home for 11 residents, this property provides separate bedrooms for all, and shared lounge, kitchen and bathrooms. Support services are provided by Mind, the highly regarded not-for-profit community mental health and disability service provider.

Mind's support model

24/7 support is provided by a staff team with specialised skills in supporting people with mental health related disability and complex needs.

They'll help you with daily life tasks and develop your skills for independent living, including helping you to connect with activities and other supports in the community.

Support will be tailored to helping you achieve the goals in your NDIS plan.

Tenancy information

Tenancy is managed by Housing Choices who will establish the rental agreement with you and the other tenants. Mind will manage the maintenance of the property.

Rent is set at 25% of your Disability Support Payment plus Commonwealth Rent Assistance. Utilities are billed separately.

Applications are now open.

We are seeking expressions of interest from people who have a psychosocial disability and have been assessed as eligible for an NDIS package with an appropriate level of Supported Independent Living or Core supports that fund assistance with daily living.
