<p>What is recovery?</p> <p>More and more people are talking about recovery and mental health issues, but what does this actually mean? In this course, we explore a few different ways of thinking about recovery. We'll also look at some ideas for living well while experiencing the things our society calls mental ill-health.</p>	<p>Friday 2 November 1:00-4:00 pm</p>	
<p>Self care</p> <p>To take care of yourself and nurture your holistic wellbeing is an important skill to learn in life. Come to this course and develop strategies to build hope, establish a positive identity, find meaning and purpose in your weekly routine and begin to take control and responsibility for managing your life. We will utilise a range of different teaching methods and will support you to transfer your learning into your everyday life.</p>	<p>Tuesdays 6, 13, 20, 27 November and 4 December 1:00-4:00 pm</p>	
<p>Exploring the experience of grief and loss</p> <p>Whether it's the loss of a loved one, a valued relationship or part of our identity, we all experience grief and loss in our lives. During the course we will explore the cycle of grief and loss and how to be able to support yourself to work through it in a way that supports your wellbeing. The facilitators will draw on their own experiences in dealing with grief and loss to support you with your learning.</p>	<p>Fridays 16, 23 and 30 November 1:00-4:00 pm</p>
